SOUTHWEST GAS

2026-2030 CALIFORNIA RESIDENTIAL EQUIPMENT REBATE APPLICATION

How to Apply

This rebate application is for residential homeowners, renters, and individually-metered multifamily properties. If you are a builder seeking a rebate, you will need to fill out the New Homes Rebates Program application. For a list of available rebates and a copy of the applicable rebate application, please visit www.swgas.com/en/rebates-and-promotions-search-residential-california.

1. Read the Terms and Conditions included with this Rebate Application.
2. Applicant **MUST** have an active Southwest Gas account. The service address must have an active Southwest Gas account at the time of installation and application.
3. **Rebates are available for qualifying products purchased and installed during the applicable program year (January 1 through December 31) or until program funds are no longer available, whichever comes first.** Refer to this Rebate Application for qualifying product information. Qualifying products must be installed **before** applying for a rebate.
4. Complete and sign the Rebate Application. You can submit completed applications along with proof-of-purchase (see Proof-of-Purchase Requirements below) through the following ways:

Mail:	Rebate Processing Centers Southwest Gas Energy Efficiency Program 2223 S. Highland Drive, #E6-333 Salt Lake City, UT 84106
E-mail:	rebates@swgas.com
Online	www.swgas.com/efficiency/ca

   Only choose one method of submitting your application. For example, if applying online, do not submit this Rebate Application by mail or e-mail. **Do not include the Rebate Application or proof-of-purchase with your utility bill payment. Completed Rebate Applications, including all required documentation (the completed and signed Rebate Application, proof-of-purchase), must be postmarked or submitted online by January 31 after the applicable program year* to be eligible for a rebate. Incomplete Rebate Applications will not be processed.**

   ***Program participation dates are subject to funding availability and may change without notice. Modifications to program and submission deadline dates will be updated on the Southwest Gas website (www.swgas.com/efficiency/ca).**
5. Keep a copy of the completed Rebate Application package (including receipts or invoices used for proof-of-purchase) for your records. Southwest Gas reserves the right to verify energy-efficient product(s), Applicant eligibility, and product installation prior to paying any rebate.
6. Applicant may not receive rebates for the same product under different Southwest Gas energy efficiency programs.

Proof-of-Purchase Requirements

1. Read the Product Information included in this Rebate Application to make sure the products you purchase and install meet all the program requirements.
2. All products **must be installed at a property with an active Southwest Gas residential meter** prior to submitting the completed and signed Rebate Application and proof-of-purchase. The installation address on the application must match the Southwest Gas service address and the installation address shown on submitted documentation. If applicable, Suite, Unit, Building, Space, or Tenant numbers must also be included.
3. You **MUST** submit a receipt or invoice as proof-of-purchase. The installation address on submitted documentation must match the Southwest Gas service address. If applicable, Suite, Unit, Space, Building, or Tenant numbers must also be included. **Altered receipts will not be accepted unless signed by the store manager or installation contractor.** The receipt or invoice must include:
   - Retailer and/or contractor name, address, and phone number.
   - The product purchase date. This date must be between January 1 and December 31 of the applicable program year.
   - Itemized listing of each product, including all information needed to meet the rebate criteria. Refer to the Product Information portion of this Rebate Application and obtain any missing information from your retailer and/or contractor such as model number, SKU/UPC number, serial number, efficiency rating (if applicable), dimensions (if applicable), etc.
   - Itemized product cost, payment terms (or “paid-in-full” notation), and date paid.

Terms and Conditions

Read these Terms and Conditions, and then sign and date the Applicant Signature portion of the Rebate Application.

1. Southwest Gas has implemented the California Residential Equipment Rebate Program ("Program") to provide qualified Applicants with rebates to facilitate the installation of qualifying energy-saving products. By signing the Rebate Application, Applicant agrees to and shall abide by all Program requirements and these Terms and Conditions.
2. Applicant understands that the Program Term is the period approved by the California Public Utilities Commission (CPUC) for this Program, and that each program year within the Program Term runs January 1 through December 31. The Program Term and program year are subject to change without notice. Program funds are limited and rebates are provided on a first-come, first-served basis until the end of the applicable program year, or until Program funds are no longer available, whichever comes first.
3. To be considered for Program rebates, Applicant must submit a completed and signed Rebate Application including all required supplemental documentation after the eligible product has been installed. The Rebate Application must be postmarked or submitted online by January 31 after the applicable program year. **Applicant must complete separate Rebate Applications for each installation address. An incomplete Rebate Application will not be processed. Southwest Gas is not responsible for items lost or delayed in the mail, or any rebate delayed due to an incomplete or incorrect Rebate Application.**
4. To be eligible for a rebate, (a) Applicant must be a Southwest Gas customer or the owner of a property located within Southwest Gas' California service territory on a residential rate with an active meter serviced by Southwest Gas at the installation address listed in the Rebate Application; (b) Applicant must be contributing to the conservation and energy efficiency component of the Public Purpose Programs (PPP) surcharge; and (c) Applicant must install qualifying products. Customers whose rates do not include the PPP surcharge, and customers on a negotiated rate, are not eligible to participate in the Program.
5. Products qualified and eligible for a rebate must be (a) new, and be a qualifying model that meets the product specifications described in the Rebate Application, which is incorporated herein by this reference; (b) designed to reduce the consumption of energy distributed to Applicant by Southwest Gas at the installation address; and (c) purchased and installed on or after January 1 and on or before December 31 of the applicable program year. Product purchases occurring outside of the applicable program year do not qualify for a rebate. Resale products, warranty replacements, products rebuilt, rented, received from insurance claims, or won as a prize, are not eligible for a rebate. All uses herein of the words "install", "installation" or similar phrases shall mean complete installation such that the subject product is fully functional and in operation.
6. Applicant understands that submission of this Rebate Application, even if correct and complete, does not guarantee payment of rebates. Applicant also understands that the rebate payment is based on Southwest Gas' approval of installed products and Applicant's satisfactory compliance with all Program requirements and these Terms and Conditions.
7. Rebate amounts are based on the qualifying products installed. If a submitted product does not qualify for the rebate requested, Southwest Gas may review the product for eligibility under another available rebate. Southwest Gas reserves the right to determine final rebate eligibility and applicable incentive amounts.
8. If a tenant, Applicant is responsible for obtaining the property owner's permission (as necessary) to install the qualifying products. Applicant's signature on this Rebate Application indicates Applicant has obtained this permission.
9. Upon application, approval and satisfactory completion of Program requirements, Southwest Gas will issue the rebate check to Applicant. Processing times vary based upon the volume of applications received. If selected for inspection, the rebate payment may be withheld pending outcome of the inspection.
10. **Southwest Gas reserves the right to change or cancel the Program or its terms and conditions at any time without notice.** In the event that rebate amounts change during the applicable program year, the purchase date will be used to determine eligibility and the rebate amount.
11. Applicant will allow, if requested, a Southwest Gas representative, a Southwest Gas-authorized inspector or the CPUC reasonable access to the installation address to verify the installed products. The verification of installation must be scheduled within 30 days of Applicant contact by Southwest Gas. Applicant understands that Southwest Gas may contact the product vendor and/or installer to verify purchase and/or installation and may provide Applicant's name and/or address to complete this verification. **Applicant understands that a rebate will not be paid if Applicant refuses to participate in any required verification.**
12. By signing the Rebate Application, Applicant authorizes, acknowledges and agrees that Southwest Gas may duplicate, disseminate, release and disclose Applicant's information relating to this Rebate Application (including the entirety of its contents), and any other information related to Applicant's participation in the Program (including but not limited to billing data) to the CPUC, and to any third-parties utilized by Southwest Gas to administer the Program, process applications, verify or audit Program records or system installation, operation and results, or as required to comply with state and/or federal law.
13. Applicant acknowledges and agrees that the selection of qualifying products, the selection of manufacturer, dealer, supplier and/or installer, and the purchase, installation and ownership/maintenance of the qualifying products referenced in this Rebate Application are Applicant's sole responsibility. Applicant further acknowledges that the manufacturer, dealer, supplier and/or installer is not an employee or representative of Southwest Gas.
14. APPLICANT UNDERSTANDS THAT SOUTHWEST GAS MAKES NO REPRESENTATIONS AND PROVIDES NO WARRANTY, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, USE, OR APPLICATION OF THE PRODUCT, OR WITH RESPECT TO THE DESIGN, MANUFACTURE, CONSTRUCTION, SAFETY, PERFORMANCE, WORKMANSHIP, OR EFFECTIVENESS OF THE INSTALLED PRODUCT AND ANY POTENTIAL ENERGY SAVINGS. Applicant understands and agrees that Southwest Gas shall not be liable for, and Applicant hereby waives any and all claims against Southwest Gas, its directors, officers, employees and/or agents, arising out of or in connection with Applicant's participation in the Program. Without limiting the foregoing, neither Southwest Gas nor any of its directors, officers, employees and/or agents shall be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary, reliance, punitive or special damages, including damages for loss of use regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind. Applicant further agrees to indemnify, defend and hold harmless Southwest Gas, its directors, officers, employees and agents from and against all claims, losses, expenses, damages, costs and liability arising out of or incident to Applicant's participation in the Program.
15. Applicant understands that Applicant is responsible for meeting all Program requirements and complying with all applicable laws, rules, regulations, codes, ordinances, covenants, conditions, requirements, and/or restrictions imposed by state/county/city governments, property owner(s) and/or homeowner's association(s) (if any) concerning this installation. City, town and county jurisdictions may require a license or permit for installation of certain products in residential or commercial buildings (e.g., water heaters). Failure to obtain and maintain necessary licenses and permits constitutes a material breach of Applicant's obligations under these Terms and Conditions.
16. Applicant may not receive rebates for the same product, or for the replacement of installed products, under different Southwest Gas energy efficiency programs, or from more than one utility. This Program is funded by Southwest Gas' California customers and administered by Southwest Gas or its authorized agent, under the auspices of the CPUC.
